

GLOHRA Day 2024

Date and Place

Friday, 28 June 2024, 9:00 - ca. 20:00

2C Spreequartier, Spreespeicher Berlin, Stralauer Allee 2c, 10245 Berlin, Germany

Aims

GLOHRA Day 2024 is the annual symposium of the German Alliance for Global Health Research. The intention is to facilitate exchange and knowledge sharing on the research and policy that is interesting for global health research. All GLOHRA members from all disciplines and career stages are warmly invited. We invite you to dedicate a day in summer to global health and connect with GLOHRA members while enjoying views of the Spree!

Program*

9:00-10:30	Network Breakfast (invite-only)
10:00-10:30	Registration and coffee
10:30-12:00	GLOHRA General Assembly (members and associate members only) Presentation and discussion of GLOHRA activities: retrospect and a look ahead
12:00-13:30	Lunch break and networking
13:30-15:00	Innovative approaches to improving global health outcomes Select research projects present progress and preliminary results Chaired by Prof. Dr. Charlotte Köhler and PD Dr. Shannon McMahon <ul style="list-style-type: none">▪ Prof. Dr. Martin Siegel Technische Universität Berlin Mobile-TB-Lab▪ Annkathrin von der Haar Centre for Planetary Health Policy PHONIC▪ Dr. Stefanie Harsch Albert-Ludwigs-Universität Freiburg CaLioS▪ Dr. Hannah Strohmeier Charité – Universitätsmedizin Berlin Racism and Mental Health▪ Dr. Laura Jung Universität Leipzig ESKAPE AMR
15:00-16:00	Coffee break and poster session (GLOHRA Projects)
16:00-17:30	“Ask the Community” Interactive, member-led roundtable discussions on cross-cutting topics (2 x 45 min) <ul style="list-style-type: none">▪ Participatory approaches to intangible health threats Dr. Aurelia Soares & Maresa Neuerer, Edmund Yeboah▪ Nutrition for women’s health Dr. Constanze Bickelmann, Dr. Sören Ocvirk & Dr. Britta Rutert▪ Causality in global environmental health Dr. Fabienne Pradella, Dr. Nathalie Lambrecht, Timo Münz

- **Epistemic (in)justice in neglected diseases research** | Dr. Daniela Fusco & Dr. Dewi Ismajani (Jani) Puradiredja
- **Female Leadership in Global Health** | Dr. Heide Weishaar, Dr. Tina Fischer, Yagmur Demirpehlivan, PD Dr. Stefanie Theuring, Dr. Nadine Muller
- **Digital Mental Health** | Prof. Dr. Charlotte Köhler & Dr. Felix Machleid
- **Global Child Health in Times of Climate Change** | Prof. Dr. Ralf Weigel & Prof. Dr. Tobias Hecker
- **Health Equity and Inclusion: Fostering Resilient Health Systems Bottom-Up** | Christoffel-Blindenmission | Johan Willems & Dr. Joerg Weber
- **Global Health Education: open exchange on how researchers can contribute** | PD Dr. Meral Esen
- **Peer-to-peer mentoring formats for early career researchers** | Global Health Academy | Dr. Esther Evang & Dr. Eva Mertens

17:30-18:00	“Ask the Community” spotlight on results Brief summary of group discussions, moderated by the Secretariat
18:00-18:30	Keynote: Data Science and AI: Centering Equity and Inclusion in the New Frontier in Global Health and Development Dr. Uyi Stewart, Chief Data and Technology Officer, DataDotOrg (online)
18:30-20:00	Reception with food and drink On the terrace overlooking the Spree

*Preliminary program – subject to change

Annex: List of GLOHRA Projects

Interdisciplinary Pilot Projects

- **AI-TB Screening Tool:** Development of a novel, easy-to-use digital tuberculosis screening tool informed by machine learning approaches (BMZ co-funding)
- **HelmSys:** The impact of helminth infections on vaccine outcomes in humans – a systematic literature review
- **MeasureGender:** Measuring gender-based discrimination to better understand maternal mortality
- **RESAMP:** Reducing schistosomiasis through aquaculture interventions in Madagascar: a pilot study (BMZ co-funding)
- **PROTECT:** Protect migrant healthcare workers: closing a gap in Germany’s pandemic preparedness and global health policy
- **ViVac:** Violence, trust, and vaccine hesitancy
- **PreVio:** School-based prevention of teacher and family violence: A pilot cluster-randomised controlled trial in Tanzania

Cross-sector Projects

- **IMPEDE-CVD:** Human centered design to adapt and inform an integrated chronic disease management program (BMZ co-funding)

- IndoCerCa: Community Cervical Cancer Screening and Prevention in Indonesia (BMZ co-funding)
- Mobile-TB-Lab: Diagnostic algorithm for peripheral lymph node tuberculosis using portable station
- PHONIC: Public Health Operations for Climate Change Action - Development of a framework to identify priority operations
- SWAPNO: Safe Water – Advances in Purification Options
- WELLPAK: Integration of digital mental health intervention at community level in Pakistan
- EDUROL: Bladder Cancer Early Detection and Treatment in Malawi
- CAP-PRE: Counselling for Alcohol Problems in Pregnancy

Global Health Postdoc Fellowships

- Diarrhea, fiber and colon cancer: Environmental contributions to low colon cancer risk in sub-Saharan Africa (BMZ co-funding)
- MisInfo Vaccines: Drivers of Misinformation, Gender Gap and Masculinity on Vaccination Decision-Making among Caregivers in Sub-Saharan Africa
- Racism and mental health: a qualitative study with humanitarian workers
- Children's well-being: The contribution of family dynamics and parental mental health to children's well-being: A 4-year longitudinal study on the mental health of forcibly displaced children
- MARS: Mosquito-based Artemisinin Resistance Surveillance
- InnoCOV: Innovation policies for resilient biomedical R&D systems: lessons from the COVID-19 pandemic innovation response
- CaLioS: Improving cancer-related health literacy using online stories in sub-Saharan Africa, illustrated by the example of Kenya
- INTEGRATIVE: Diabetes incidence and weight change following dolutegravir transition of ART among PLHIV from an African prospective cohort

PATH Projects (funded by BMZ)

- BUKLOD: Bridging the gap, Upgrading the technical Know-hows and Leveraging research Outputs and its Dissemination within the Philippines and Germany
- ESKAPE AMR: Education and Stewardship to improve Knowledge, Attitudes and Practice towards Antimicrobial Resistance
- OHSSIN: Co-creating One Health workforce through Health system strengthening in Western India

Registration and Logistics

Registration

Please register using the [online-form](#).

On-site participation is limited to 150 participants. GLOHRA members and associate members will be given priority and admitted on a first come first serve basis. Interested representatives of the private, policy and civil society sectors are invited to register and join as well.

Costs

Participation is free of charge.

Accommodation

Hotel prices are very high around GLOHRA Day. We recommend hotels in Friedrichshain-Kreuzberg, e.g.

- Estrel Berlin: <https://www.estrel.com/de/hotel>
- Schulz Hotel Berlin: <https://www.schulzhotels.com/>
