

Urban Climate-Health Research in LMIC Cities: Evidence Gaps and Interdisciplinary Pathways

15–16 October 2026 | University of Freiburg, Germany

Workshop Programme

Time	Topic
DAY 1 — Mapping Evidence & Defining Research Gaps Thursday, 15 October 2026	
08:45–09:00	Arrival and Registration
09:00–09:30	Welcome and Workshop Framing
09:30–10:00	Keynote 1 — International Perspective on Climate & Health Systems (Jennyfer Wolf)
10:00–10:40	Expert Inputs — Grounding the Evidence (one per working group)
10:40–11:00	Coffee Break
11:00–12:30	Working Groups Round 1 — Evidence Gaps & Research Priorities
	<i>Group 1 — Urban Climate-Health Risks & Vulnerabilities</i>
	<i>Group 2 — Heat Health Action Plans & Climate Adaptation in Cities</i>
	<i>Group 3 — Public Health, Implementation & LMIC Contexts</i>
12:30–13:45	Lunch
13:45–14:45	Plenary Synthesis — Defining Research Priorities
14:45–15:10	Coffee Break
15:10–16:30	Research-Policy Dialogue
16:30–17:00	Reflection & Preparation for Day 2
DAY 2 — From Research Priorities to Collaborative Action Friday, 16 October 2026	
09:00–09:15	Recap & Priority Ranking
09:15–09:50	Keynote 2 — Urban Climate-Health Research in Practice (Mirko Winkler, Swiss TPH)
09:50–11:00	Working Groups Round 2 — Collaborative Action Planning
11:00–11:20	Coffee Break
11:20–12:20	Plenary — Action Plan Pitches & Peer Review
12:20–13:00	Closing Session
Afternoon	Optional: Climate Walk in Freiburg

The workshop is organised by the MSc in Global Urban Health supported by the German Alliance for Global Health Research (GLOHRA).
